(See Map Below)

On January 25, 2005, the Board of Collier County Commissioners entered into an Interlocal Agreement with the City of Marco Island to provide trash collection services as provided in District I. On October 11, 2005, the Board of Collier County Commissioners entered into an Interlocal Agreement with the City of Everglades City to provide trash collection services as provided in District I.

A copy of the preliminary assessment roll (non-ad valorem roll) for each lot or parcel of land to be assessed is on file at the Clerk to the Board's Office, County Government Center; W. Harmon Turner Building, Fourth Floor, 3299 East Tamiami Trail, Naples, Florida 34112, and in the offices of the Collier County Utility Billing and Customer Service Department, 4420 Mercantile Avenue, Naples, Florida 34104, and is open to the inspection of the public.

All affected property owners have a right to appear and be heard at the public hearing and to file written objections to the adoption of a resolution approving the preliminary assessment roll (non-ad valorem roll) with the Board within 20 days of this notice based upon the grounds that it contains items which cannot be properly assessed against property, that the computation of the special assessment is incorrect, or there is a default or defect in the passage or character of the resolution, or the preliminary assessment (non-ad valorem assessment) is void or voidable in whole or part, or that it exceeds the power of the Board. At the completion of the hearing, the Board shall either annul or sustain or modify in whole or in part the preliminary assessment (non-ad valorem assessment) as indicated on such roll, either by confirming the preliminary assessment (non-ad valorem assessment) against any or all lots or parcels described therein or by canceling, increasing, or reducing the same, according to the special benefits which the Board decides each such lot or parcel has received or will receive from the collection and disposal of solid waste. The assessment so made shall be final and conclusive as to each lot or parcel assessed unless proper steps are taken within twenty (20) days with a court of competent jurisdiction to secure relief.

The Board will levy a special assessment (non-ad valorem assessment) for collection and disposal of solid waste based on the methodology of the number of equivalent residential units located on the property. The proposed fiscal year 2027 non-ad valorem assessment for Service District I is \$269.77. In accordance with Florida Statute 197.3632, the total assessment for collection and disposal of solid waste shall not exceed \$330.00 per equivalent residential unit per year, over a five (5) year period, commencing fiscal year 2025 and ending fiscal year 2029. This special assessment (non-ad valorem assessment) will be collected by the Collier County Tax Collector on the owner's ad valorem tax bill pursuant to Section 197.3632, Florida Statutes. Failure to pay the special assessment (non-ad valorem assessment) and your property taxes will cause a tax certificate to be sold against the property, which may result in a loss of title to the property.

Any person who decides to appeal a decision of the Board will need a record of the proceedings pertaining thereto and, therefore, may need to ensure that a verbatim record of the proceedings is made. The record shall include the testimony and evidence upon which the appeal is to be based.

If you are a person with disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the Collier County Facilities Management Division, located at 3335 Tamiami Trail East, Building W, Naples, Florida 34112, (239) 252-8380. Assisted listening services for the hearing impaired are available in the County Commissioners' Office.
